

DO NOT BRING AFRICAN SWINE FEVER TO JAMAICA

African Swine Fever is a **DEADLY VIRAL DISEASE** affecting pigs and could be devastating to the Jamaican pork industry.

PLEASE NOTE

DO NOT bring **pork products** into Jamaica.

Always **DECLARE** all food including pork products on your **Customs C5 Card**.

If you have recently visited or worked on a farm outside of Jamaica, **YOUR FOOTWEAR AND / OR CLOTHING MIGHT BE CONTAMINATED.**

It is against the law not to declare food items.

FAILURE TO DECLARE COULD RESULT IN

The **introduction and spread** of African Swine Fever in Jamaica.

Seizure and destruction of pork products for safe disposal.

AFRICAN SWINE FEVER

African Swine Fever (ASF) is a deadly viral disease of pigs. It can completely destroy our pig industry. The disease has NEVER been diagnosed in Jamaica. Help us protect our pig industry and keep Jamaica free from this disease.

**Don't
Bring
ASF To
Jamaica!**

TRAVELLERS, PAY SPECIAL ATTENTION

- **Do not bring pork products to Jamaica.**

- **Declare all food and animal products on your Customs C5 Card.**

- **ASF can be carried on clothing, shoes, hands, equipment, tools, used vehicles including used tractor tyres.**

- **If you have visited a farm overseas, when you return to Jamaica, please inform the Customs Officer. Do not visit a pig farm or other location with pigs.**
